

ADDITIONAL INFORMATION TRANSPORTATION BELGIUM OPEN – ITTF CHALLENGE – 2017

Dear friends,

Pick-up is **free of charge** when you arrive at the Ostend Railway Station or at Ostend International Airport for those who take the official package.

Pick-up costs for all the other arrivals will be charged to the federation.

- For pick-up at Brussels National Airport (Zaventem): 130 euro for each person
- For pick-up at Charleroi Airport: 150 euro for each person

People arriving at one of these airports are advised to take the train to Ostend Railway Station. This is much cheaper and much faster.

From either Brussels National Airport or Charleroi Airport the cost for each person is a maximum of 30€.

A coordinator from our federation will be at the train station in Brussels on Monday who will put you on the right and fastest train to Ostend Railway Station.

If you have any further questions, don't hesitate to contact our transport coordinator Wesley.
