## 10. ENTRIES

A total of 16 boys and 16 girls qualify for the 2017 ITTF World Junior Circuit Finals; subject to the following criteria:

- i. Players must have competed in junior singles a minimum of two continents in tournaments on the 2017 ITTF World Junior Circuit.
- ii. A maximum of two players are eligible from any national association; should three or more players from a national association occupy qualified places, it is the responsibility of the national association to nominate the player or players for the ITTF World Junior Circuit Finals.
- iii. The nine highest listed players on the Junior Boys' and Junior Girls' Standings following the concluding tournament on the 2017 ITTF World Junior Circuit calendar (the Portugal Junior and Cadet Open) qualify.
  - If two or more players finish with equal points in the ITTF World Junior Circuit Standings, the final order is determined by the highest number of points recorded in any one tournament on the ITTF World Junior Circuit in 2017.
  - Should there still be equality the next highest finish and so on is taken into consideration.
  - In the unlikely event of there still being equality, the ITTF Under 18 World Ranking current at the time of the publication of the final 2017 ITTF Junior Circuit Standings (November 2017 ITTF WR) will be the determining factor.
- iv. The highest listed player from each continent –Africa, Asia, Europe, Latin America, North America, Oceania– on the final Standings for the year qualifies for the Finals.
  - If no player from the continent has competed in two or more continents on the 2017 ITTF Junior Circuit, the place is awarded to the highest listed player from that continent on the final Standings, regardless of appearances.
- v. If a continent has players qualified for the Finals because of the position on the final Standings, the place is awarded to the next eligible player on the final Standings.
- vi. A Wild Card is allocated to the host association.
  - If the host has player or players qualified by other means; the host must advise who receives the entry by qualification and who receives the Wild Card.

## 11. FORMAT OF PLAY:

### FIRST STAGE:

All matches will be played to the best of seven (7) games.

### SECOND STAGE:

All matches will be played to the best of seven (7) games in both Main Draw and Consolation.

- Winner of group 2 shall be *placed* in position 8 in the main draw

- Winners of the groups 3-4 shall be *drawn* in positions 4-5 in the main draw (subject to Association separation)
- The second placed players in each group shall be *drawn* in opposite halves to the first placed players (from the same group) - positions 2, 3, 6 & 7 (this takes precedence over separation by Association)
